

INTERNSHIP OPPORTUNITY

**START DATE
JUNE 8, 2026!**

Lake Apopka Natural Gas District is proud to be a part of the west Orange and south Lake communities. Created by an Act of the Legislature in 1959, we have been busy serving customers within our service area since 1964.

Our internship programs are scheduled during the summer in order not to conflict with your school schedule and we pay you as you learn about us!

We welcome applicants from local high schools who are excited about exploring opportunities in the energy industry as we strive to be the choice of consumers for energy services within our service territory.

Specific questions about our internship program can be sent to hr@langd.org.

Learn more about us at www.langd.org!

We are excited to invite you to consider an internship program to explore a potential career in the energy industry. Lake Apopka Natural Gas District is your local natural gas provider, and we have exciting career opportunities in multiple fields, such as:

-  Distribution
-  GIS
-  Operations and Field Services
-  Regulatory and Safety Compliance
-  Engineering
-  Public Relations
-  Customer Service
-  Utility Billing
-  Accounting and Finance
-  Meter Reading
